

# BTB Tendons

## Proven Sterilisation without Irradiation

Bone-patellar Tendon-Bone (BTB) tendons allow for multiple technique and fixation options in ligament reconstruction procedures. BTB tendons distributed by Hospital Innovations are available sterilised without the use of irradiation through the patented BioCleanse® Tissue Sterilisation Process, which inactivates or removes potential pathogens while maintaining the tissue's biomechanical properties.

### BTB Tendon Options:

Pre-shaped BTB

Hemi BTB

Whole BTB

BTB Select™

Adjustable BTB

## Proven Sterilisation without Irradiation

Pre-Shaped BTB

Hemi BTB

Whole BTB

BTB Select™

Adjustable BTB

### Pre-shaped, Hemi & Whole BTB Benefits:

- Natural bone block allows for multiple fixation types.
- Pre-Shaped bone block eliminates the need for intraoperative shaping and may decrease theatre time.
- Hemi and Whole BTB allow the surgeon to modify the bone block shape in order to meet the needs of each individual patient.

### BTB Select™ Benefits:

- Natural bone block (femoral tunnel), allows for multiple fixation types.
- Pre-drilled holes on the assembled bone block (tibial tunnel) allow for easy passing of sutures.
- Shortened intra-articular lengths allow for anatomical reconstruction of the ACL and aperture fixation.

### Adjustable BTB Benefits:

- Combines flexibility of soft tissue grafts with BTB fixation by incorporating an assembled tibial bone block at one end and a femoral bone block with the eyelet at the opposite end.
- Pre-drilled holes on the assembled bone block (tibial tunnel) allows for easy passing of sutures.

Proven Sterilisation without Irradiation

Item No.	Item Description
AL10500	BioCleanse® Achilles Tendon: Conventional with Bone Block
AL10505	BioCleanse® Achilles Tendon: Pre-shaped with 10mm Bone Block
AL10506	BioCleanse® Achilles Tendon: Pre-shaped with 11mm Bone Block
AL10515	BioCleanse® Achilles Tendon: Pre-trimmed
1025-14	Achilles Tendon with Bone
1085-14	Achilles Tendon without Bone
AL10705	BioCleanse® Patellar Tendon: 10mm BTB
AL10710	BioCleanse® Patellar Tendon: Hemi BTB
AL10720	BioCleanse® Patellar Tendon: Pre-shaped
1965-14	Patellar, Pre-shaped (machined) 11mm
1162-14	Patellar, with Extensor Mechanism
1903-14	Quadricep Tendon with Bone
